About Us

We are the UKs' only speed boat experience provider that provides YOU with the chance to drive genuine Offshore Honda Formula 4 Stroke Racing Boats. We have been operating on Solent Waters for just over 28 years and have grown to become one of the most successful powerboat experience providers within Europe. Throughout our successful and lengthy operation, we have continued to offer a unique range

of experiences, team building days, entertainment events and staff gifts to a wide variety of corporate and private clients. We pride ourselves upon our ability to allow clients of all ages from 8 upwards to take control of our boats, a feature that you won't find in any other UK boat racing experience provider. Our highly trained skippers represent the Saber Powersports brand and are great at making the most out of your day in a friendly and safe manner.

Our Boats

Our boats are the most unique aspect of our business, setting us aside from all other chartering and experience companies in the UK and Europe. Our fleet consists of three 150 horse power outboard Honda Formula 4 Stroke Championship Race boats a 450 horse power Jet Viper and the Thunderbolt, a professionally converted Thundercat Surf Racing series multi-hull outboard RIB.

Honda 150 Race Boats

Saber Powersports are the proud owners of three Honda Formula 4 Stroke Offshore 150HP race boats. Each Honda is fitted with our distinctive and unique dual control system which allows for the safe operation of these boats by any person of any experience level. Anyone from 8 years old to 100 can drive these absolute speed beasts,

an opportunity not to be missed! The powerful boat is the real deal, so you will be able to feel the acceleration and grace of one of these highly responsive racing speedboats just like the professional racing crew. Our highly trained skippers will show you how to really put these boats through their paces!

Southampton & The Solent

All of our experiences take place on the Solent which is renowned for its popularity as the water sports Mecca of the UK. Less than two hours away from London, this beautiful strait is contrasted by the beauty of the famous South Downs national park and the New Forest to the south, there's a lot more to see from the sea! Plenty of idyllic pubs restaurants and marinas dot the Solent strait and the Isle of Wight is only a short trip away!

Known as the cruise capital of Europe, Southampton boasts an impressive cultural offering, with museums, music venues, art galleries, and award winning parks with fantastic shopping facilities. The Southampton Docks are home to a number of colossal cruise cargo ships, you should keep an eye out for these behemoths as they cruise gracefully past. If you haven't seen one of these from the sea before, we guarantee that you will be blown away.

MEETING VENUE : SHAMROCK QUAY MARINA

Every Saber Powersports adventure begins at Shamrock Quay, a bustling private yacht marina near the heart of Southampton with onsite parking, restaurant bar, outdoor eating area, classic cafe and public amenities. If you're looking for something else to do during your time in Southampton, take advantage of the free three hours of parking included with your experience courtesy of the marina and head into town; the West Quay and

Marland shopping and dining centres are less than a 30 minute walk away! The Saber Powersports meeting kiosk is based at the top of the pontoon right next to the marina office, we are very hard to miss!

On Site Facilities

Shamrock Quay is a private Marina and has several useful facilities on site including; Restaurant and Café, 3 hours free parking and toilets on with limited changing room

Our Operation

Our operational season currently runs on weekends from early May through until early October, however we will be expanding to weekdays very soon! Our weekend hours are from 10:00am when the first set of boats leave until 17:30pm when the last set of boats return to the marina. We run on a very efficient hour by hour schedule, we want to maximise everyone's experience so every minute counts! Therefore, we ask that all participants arrive at least half an

hour before their booked slots in order to sign in, register and complete all the necessary safety paperwork and receive a full safety briefing from the shore crew and the skippers. Due to the importance we place on staff and customer safety, we operate a 10 minute cut off time for late arrivals. Customers arriving 10 minutes before their allocated slot will not be able to participate at that given time as the necessary safety procedures cannot be completed in less than 10 minutes.

Example Timings

All experiences are booked for an hour minimum. All participants will be on the water for a minimum of an hour from boarding the boat to stepping off, all briefings from the shore team and skippers are conducted before the allocated slot allowing for maximum time spent cruising out at sea!

Example Daily Weekend Timings

- 1000 AM** - First morning departure
- 1100 AM** - Changeover
- 1200 PM** - Changeover
- 1300 PM** - Half hour staff lunch
- 1330 PM** - First afternoon departure
- 1430 PM** - Changeover
- 1530 PM** - Changeover
- 1630 PM** - Final Changeover
- 1730 PM** - Final customers return (End of the day)

Example Timings for a 10:00am Slot Booking

Terms and Conditions

Session Lengths

Session lengths are approximate, vary from venue to venue and are given simply as an indication of the time you will spend at the venue. Unless stated otherwise, you will usually be taking turns with other people and there may be waiting time involved. We give itineraries as a guide only and the running order of an event may change.

The Weather

All our experiences are dependent on the weather and we advise you to call to check the weather before setting out. If your experience is cancelled due to the weather you will be able to re-book, but your re-booked experience remains subject to weather conditions.

Availability

All our experiences are offered subject to availability. We will do our best to secure your preferred choice of dates. To help us, please book as early as possible, preferably at least 28 days in advance or further for peak dates such as weekends or holiday periods. Bookings are not confirmed until you receive confirmation in writing from us.

For some experience vouchers we may ask you to return the original certificate to us before we can confirm your booking. You should not make any arrangements in connection with the experience until you have received your booking confirmation.

Where certain powerboats are not available due to mechanical breakdown or weather conditions, we reserve the right to make reasonable substitutions on the day. If this is not possible we reserve the right to cancel the experience at short notice.

Inclusivity

We welcome the participation of disabled people in our experiences, though we recognise that certain experiences may present difficulties for those with disabilities. We are committed to ensuring that disabled customers are given every opportunity to participate, so we ask that you tell us about any relevant disability at the time of ordering. This enables us to do our best to meet the participant's particular needs. We will be happy to provide information about the disabled facilities available at our venue.

Refunds

We are happy to make refunds on unbooked vouchers purchased direct from Saber Powersports within 14 days of purchase. Please be aware that you cannot cancel a booking and it cannot be transferred within 28 days of the event. The administration cost of transferring a booking prior to the 28 days is £35.00.

If the holder of the gift voucher wishes to upgrade their voucher to a another type of experience they may do so by paying the difference. There is no administration charge for doing this. It is the drivers responsibility to arrive on time to complete the experience. We are unable to wait for late arrivals and if the health and safety briefing is missed or has started the driver will not be allowed to participate.

All bookings are final and no refund will be given. We do offer cancellation safeguard for £20 per booking that will cover one cancellation for illness, death of a close family member, and breakdown/flight delay. In all instances proof is required before rebooking (i.e... doctors sick note copy of breakdown report from relevant recovery agency).

Sometimes we have to cancel an experience for reasons beyond our control, such as the weather or mechanical breakdown. We will do our best to notify you as soon as possible and do everything we can to offer an alternative date or time. We regret that, in these circumstances, Saber Powersports Ltd is unable to reimburse travel, accommodation or any other expenses you may incur in relation to the cancelled experience.

Complaints

We welcome your feedback on all of our experiences. If you have a problem or complaint on the day, please bring it to the attention of the experience manager at the Marina as soon as possible, so that they have a chance to put matters right. If your problem is not resolved on the day, please contact us. In general, we consider it unreasonable if you take no action during an event, but then make a complaint at a later date.

Other Terms

All prices quoted in our promotional literature and on our website include VAT where applicable and are correct at the time of publication. We reserve the right to increase the price of any experience without notice. You will be notified of any price increase before you place your order.

Please note our experiences are not suitable for those with a back, neck or heart complaints or for pregnant women. Please wear jeans or shorts and training or boat shoes. Please also bring a change of clothes- just in case.
